I understand and agree that health and accident insurance policies are an arrangement between the insurance company and me. The health care provider's office will prepare necessary paperwork to assist me in the filing insurance claims but cannot guarantee reimbursement. Direct payments made from the insurance company to the health care provider's office will be credited to my account upon receipt and any balances due will be my responsibility. All services rendered to me are my personal responsibility and I agree to make payments for these services to the health care provider's office. I also understand that if I suspend or terminate my care and treatment, any fees for services rendered will be immediately due and payable. Should third party collection become necessary, I agree to pay all fees involved in collections of the account.

I authorize the health care provider to examine and treat my condition as deemed appropriate through the use of chiropractic care, acupuncture, Traditional Chinese Medicine, and/or other natural healing methods.
